Puppet Show at St. Ann

The library program facilitated a special performance by the Nashville Public Library's Puppet Truck on October 8 in the Parish Life Center for Kindergarten through Third Grade. The performance was "Anansi the Spider" and the puppets were amazing. Two talented puppeteers performed and explained all about their craft and the making of the puppets for the children. Our students gave their full attention and thoroughly enjoyed the story which centered around Anansi wanting to

own all the stories in the world. A very clever lion requested him to perform a variety of tasks, including capturing the snake, in order to get the stories. The moral of the story: keep trying to obtain something your heart desires and oftentimes it will happen.

Being a Cafeteria Volunteer

Would you or someone you know like to be a cafeteria volunteer? Once a week or once a month, you have the opportunity to spend time helping our great students with their lunches.

Duties include preparing the cafeteria, helping with the meal, and cleaning up after each group. Your help allows us to keep food prices lower by saving the caterer staffing costs.

If you can help, please contact Michelle Meiers at 382-8467.

New School Calendar Date

Dismissal Reminder

As part of a neighborhood, St. Ann works to be good neighbors within the Sylvan Park community. Sadlers, across 51st Avenue, have made it clear that they don't want us turning through their parking lot after leaving St. Ann. They are patient, but ask that you not use their lot after school. Cones or cars in the entrance are clear signals that we're not welcome to use their parking lot as a turn around. Thanks for helping with this matter.

Medicine Procedure Reminder

Just a reminder that all medicines, including cough drops, must be sent to the school office for administering. This is a diocesan policy for all schools. Further information can be found in our Family Handbook (pg. 22).
