School Budget (Lynn Bartrum)

Our present enrollment is 189 but our loss of non-participating families has had an effect on the overall budget. The budget is in the process of being approved and we should have final figures soon.

Marketing Plan (Carrie Krenson)

Carrie is exploring options based on changes in this year's budget, our community outreach will most likely be reduced.

Launch of the 09-10 Annual Fund Campaign (Michael Biek)

Annual campaign successfully launched at the back-to-school picnic, the fund chairs are working with the marketing committee to complete mail pieces. The campaign period is extended this year with a plan for a spring phone-a-thon. Ideas for use of paypal were discussed with the intent to research.

Principals Report (John Foreman)
