Race Three Show; Eagle Runners Still Improving---Check out the *Race Results* in this packet to see who improved his/her race time! Note: Both practices will be at Richland Park after school this week. Next week, due to fall break, we will only have one practice: Thursday, October 8, at Overbook, 6:00 p.m. This will be our last practice of the season, as we head into the championship race on Sunday, October 11. Remember that Varsity teams run first on that day!

FATHER RYAN DISTANCE RUNNING CLASSIC---held this **Wednesday, September 30**. Registration and check-in will begin at 6:00 p.m. for interested runners in **Grades 5-8**. (Because FRHS had to postpone it twice, it is now a one-day event.)

BUMP, BUMP IT UP---I saw our 5th/6th Grade Volleyball team play yesterday at St. Matthew (vs. St. Bernard), and they looked *really* good, well prepared, thanks to the coaching team of Lee and Dena Rutledge and Kasey Wiley. They are having a successful season so far, with a 6-2 record.

Basketball Sign-up In Today's Folder---Please note the deadline for returning the paperwork: Wednesday, October 14.

Soccer Challenge on Sunday, October 11---hosted by the Knights of Columbus for boys and girls, ages 10-14. The event will be at St. Edward School. (Please note: Cross Country runners will be running their final race at 1:00 p.m. at Overbrook on October 11, too!)

Walk to School Day---Not an event that you want to miss! This year's walk will be on Thursday morning, October 8. As per our normal routine, students will meet at McCabe's Pub parking lot at 7:00 a.m. (sharp) to take the Eagle Ankle Express to school! We use the handy, dandy

sidewalks along 46th Ave., cross at Park Ave., and straight to campus. *All are welcome, but Kindergartners and 1st Graders must have a parent accompany them on the walk.* This international event, promotes exercise, sidewalks, and community outreach. Parents are encouraged to drop off backpacks, etc. at school beforehand (underneath the covered arches) so students can walk unencumbered! The question of the day for October 8: **Why ride when we can walk? Yahoo!** (Call the St. Ann weather line at 277-9661 if rain is an issue that morning.)

NEW GROUP OF EAGLE ARTISTS--- The Navy Cycle brings a new group of students to the art room---students in Grades 1, 4, and 7 will be elbow-deep in projects soon! Seventh graders will be working on a collaborative project, *Exquisite Snake*; 4th graders will try their hand with some watercolor with *Angels in Action*; and Grade 1 artists will paint some *Geometric Houses*.
