

Home and School Meeting- December 5th,2011

In attendance: Diane Curtis, Andi White, Klare Beach, Lisa Sass and Andrea Nina-Campbell.

After the opening prayer Grandapals Day was discussed:

It was a great morning with plenty of volunteers. This year we had an increased number of grandparents, 140 RSVP. Karen did a great job, we had enough food and everything was arranged in advanced. It cost us \$675.00 in compared to last year that was \$800.00.

We printed 200 programs and had only 10 left. Usually 20-25% that come do not RSVP.

Scrip: There are a lot of transactions this month, probably because of Christmas. Maybe in January Judy can send the families a statement.

Staff Bonus: We will post again in the Tuesday Tibits. Checks are coming in.

Christmas Program: Will be next Thursday. Starts at 7:00 and kids have to be here at 6:45.

Finances: We still have a lot of money. We gross \$16,000 from the cookie dough.

Next springs we will be getting all the lap tops. Nashville Tech to do all the work?
