

The Eagles are Twittering!

“tweet tweet”

Well, “tweet” might not exactly be the sound you would expect a fierce Eagle to make but our Eagles can tweet. Sign up for a Twitter account today and request to be a follower of Saint Ann School and you can receive updates, or “tweets” from Saint Ann School. The Twitter account is free. Text messages sent to your phone will apply to your plan’s text messaging.

Some examples of things we’ll be “tweeting” about are:

- School schedule reminders
- Special announcements
- Upcoming meetings
- Special happenings at the school
- Sports results
- Deadline reminders
- Emergency announcements
- Inclement weather closings & schedule changes

Be the first to know about what’s happening!

Follow Saint Ann in your Twitter account: **SASEagles**

New to Twitter? Here are some guidelines to help you get started:

- ✓ Go to www.twitter.com.
- ✓ Enter your information and click on “sign up”.
- ✓ Recheck your name, password and user name and click “create my account”.
- ✓ Click on the number 3 (friends) at the top of the screen.
- ✓ Enter “SASEagles” in the blank provided (this is case sensitive).
- ✓ Find the SASEagles that shows the picture of our St. Ann Eagle mascot trying to fly.
- ✓ Click “follow”.
- ✓ Go to your e-mail account and open the e-mail from Twitter. Click the link to verify your account.
- ✓ You are now following Saint Ann School in your Twitter account.

...continue on if you want to go a step further and get tweets as TEXT MESSAGES...

- ✓ Click on your user name in the upper right corner.
- ✓ Select settings.
- ✓ Click on the “mobile” tab.
- ✓ Follow the instructions to set up your phone number where text messages should be sent.
- ✓ Click on “home” at the top middle of the screen.
- ✓ Find Saint Ann under the list of those accounts you follow in the right column. Click on SASEagles
- ✓ Immediately to the right of the green “follow” button is a grayed-out icon of a cell phone. Click on this icon so that it turns green.
- ✓ You are now set up to receive tweets and have activated SASEagles to send them to your phone!
