

TUESDAY FOLDER MATERIALS BY EMAIL

We continue to develop ways to more effectively and efficiently communicate school happenings with you. We plan to move towards increased digital communication with our families. Currently we use email, our school's website, PowerSchool, and Google Calendar to keep you informed. Now, we want to offer you the non-classroom portion of the Tuesday Folder via email.

The Tuesday Folder by email (school office portion only) has many advantages:

- You receive the Tidbits early, around noon on Tuesday.
- In addition to the Tidbits archived on the school's website, you can save the Tidbits anywhere you like...even on your smart phone!
- It can be sent to as many households as you want. What about grandparents.....?
- You print out only what you need to keep or return to the school office, thereby having a positive impact on God's creation.

Only those families that sign up with the form below will receive Tuesday Tidbits via email

Family Name: _____

Email Address(es) to be sent Tuesday Tidbits:

Please no longer send me hardcopies of the Tidbits, I'll print what I need and save the school and the earth the cost of additional copies.
