Dear Parent;

It is time again to begin the enrollment process for next year. The tuition amounts have recently been approved by the Parish Finance Committee (see below). We are so pleased that our strong enrollment has allowed us to keep this year's tuition increase to just **4%**; one of the lowest in the diocese. The School Advisory Committee and the Parish Finance Committee strongly believe tuition increases must be kept to minimum. Staffing, insurance, and utilities constitute over 90% our operating budget, yet these costs increase 10%-30% each year, so too our operating income must be adjusted. Strong enrollment and ongoing support from St. Ann Parish enables us to maintain our very reasonable tuition rates.

I will facilitate open three "town meetings" on 8 March to explain and discuss the 2007-2008 budget and Strategic Plan. Times for the meetings are: 7:30am-8:15am, 2:15pm-3:00pm, 5:30pm-6:15pm. By offering three different times, it is our hope we can accommodate most person's schedules.

The Pre-Registration Form is on the back of this letter. Return the form along with the \$150 registration fee to the school office by Wednesday 14 March.

At St. Ann School, our mission is to offer to students the education they deserve in an environment reflective of Gospel values. We care about each child, and as professional educators, we work everyday to provide classroom instruction that helps your child become the person they were created to be. We are looking forward with great excitement to another year shared with your family. Please contact me if you have any questions.

Sincerely,

John Foreman
